15 ORDER DISMISSING COMPLAINT

16
17 On April 17, 2024, this Court (Cousins, J.) screened plaintiffs' complaint pursuant to 28
18 U.S.C. § 1915, concluded that it failed to state a claim upon which relief could be granted, and
19 granted plaintiffs leave to file an amended complaint curing the identified deficiencies. Following
20 reassignment of the matter to a district judge, the Court granted plaintiffs' motion for an extension
21 of their deadline to file an amended complaint and set a new deadline of June 21, 2024. After
22 plaintiffs failed to file an amended complaint by that date, the Court extended the deadline a
23 second time, to July 5, 2024. The Court noted in that order that the Court will dismiss this matter
24 without prejudice should plaintiffs fail to file an amended complaint or motion to extend the
25 deadline for doing so.

26 No amended complaint or motion requesting an extension of the July 5, 2024 deadline has
27 been filed. Accordingly, this case is dismissed without prejudice. The Clerk shall close the file.

28
IT IS SO ORDERED.

Dated: July 9, 2024
